BECKON is emerging as our favorite Insignia son in terms of calving ease and maternal strength. His first calves are light birth and stylish with strong resemblance of Hoff Head of the Class. Pathfinder dam is a prolific model cow BW 5@97, WW 5@109 & YW 4@110. Backed with extra performance and length from his sire Insignia, Beckon has astonishing curve bending potential in a very stout Hoff-Bred pedigree.
